

Pre-NON-SCLS

Dear Student,

Thank you for taking part in this workshop. We would like to ask you some questions to help the workshop leaders improve the workshop's activities. Remember that **this is not a test**. The only "right" answer is what you think. Your answers will not be used in the research study.

1. Please describe your expectations of the workshop. For example, what kind of activities are you hoping to do?

Type here

2. What is science for you/how would you describe science?

Type here

3. What is creativity for you/how would you describe creativity?

Type here

4. Is science creative? Why or why not?

Type here

5. What could be the most interesting experience for you today as a science student?/Describe the activities that you would like to do today as a science student.

Type here

6. What could be the most interesting experience for you today as a creative student?/Describe the activities that you would like to do today as a creative student.

Type here

Thank you for your time!
